This wonderfully successful series really puts the story back into history! A unique combination of fiction and information, each exciting volume brings the past alive by linking key events to a fast moving narrative. The series is characterised by short chapters, wonderful illustrations and a glossary of unfamiliar terms. "Please Help, Miss Nightingale!" tells the story of Florence Nightingale, who in 1854 set sail for Scutari with a band of nurses, determined to help the British soldiers wounded in the Crimean War. When she first arrived, she was not welcomed. By the time she left she was hailed as 'the soldiers' friend'.
