This book contains everything nurses said they wanted in a "Drug Handbook"! "Nursing Spectrum Drug Handbook" delivers what nurses from around the world said they wanted most in such a publication: easy-of-use and a strong focus on patient safety. As convenient as it is thorough, the handbook enables nurses to carry essential drug information around with them wherever they go. The Drugs A-Z section features alphabeticized coverage of 3,000 brand name and 1,000 generic drugs detailing each drug's mechanism of action, indications, dosage, contraindications, and includes intervention, patient monitoring, and patient teaching.
