Can you hear me now? "Gut " Talking on the phone in a second language introduces unique challenges. What is the proper way to greet a person in German? Should one be formal or informal when addressing a receptionist in Dortmund? How do you say, "I need an appointment"? "Teach Yourself Phone German" offers you solutions and advice to this nerve-racking subject. This audio package features 10 conversations that cover typical telephone situations, including introducing yourself, understanding when someone will be available, and arranging a meeting.
