Everything You Need to Know to Start, Run and Grow Your Own Profitable Business - Right From Home! Are you looking for ways to minimize the cost of starting your own business? Then why not run your business from home - some of the most successful companies were started from a kitchen, a spare room, even a garage. Here's the toolkit you need to move your venture from startup to profitable. Inside, you'll find up-to-date, detailed information on every stage of business creation. This new edition offers more information on the latest tools and trends for today's homebased businesses including

cutting-edge office software, inexpensive online advertising, important business protection plans and so much more! Combine that with how-to tips, ideas, tools from in-the-trenches homebased entrepreneurs and hundreds of print and online resources, and you have the required one-stop guide to starting your venture at home. Whether you're in the early dreaming stage, planning or have already begun, this guide helps you: Start Smart Choose the best business Set up your business legally Learn the basics of management, operations, marketing and sales Organize your home office Create an effective online presence Develop winning business processes Attract and keep customers for life Don't put your dreams on hold. Start, run and grow your dream business from home now!
