There's a hippo in my pool And a zebra on the soccer field And penguins in the ice cream shop Jump in the fun and help Jungle Jack Hanna lead these mixed-up animals back to the correct habitats. Children will learn all about animals in the wild as they take animals from crazy places such as an ice cream shop back to the places they are supposed to live Using real photographs and movable magnet pieces, children will instantly engage in learning the appropriate places for wild animals to make their homes.
