"Dutch: A Comprehensive Grammar" is a complete reference guide to modern Dutch grammar. This completely updated new edition covers the new spelling system

introduced in 1997 and the latest reform of 2005. A new section covers modal particles. Concentrating on the real patterns of use in modern Dutch through lively and accessible descriptions of the language, the Grammar is an essential reference source for the learner of Dutch, irrespective of level. It is ideal for use in schools, colleges, universities and adult classes of all types as well as being indispensable to those teaching themselves.
