Learn how to identify the bottom of your local real estate market and understand when to buy by using the tools and tips in Forecasting for Real Estate Wealth: Strategies for Outperforming Any Housing Market. Take advantage of the great deals created by falling real estate prices and discover the four questions every real estate

investor must ask before buying, selling, or holding any property. With this guide, you can forecast the value of any property in 1 or 5 years, predict which investment property will give you maximum return, and secure low-cost financing.
