This title presents the consideration of the development and impact of conservatism on Turkish politics in the post-Cold War era. It features two distinguished scholars of Turkish politics, the authors recently completed a survey in Turkey, the information of which was presented at MESA. The reviewer notes that the presentation 'gives an excellent insight into its rich data'. Strong feedback from reviewer: 'This is a timely project...[that] promises to address key topics pertaining to contemporary political and economic developments in Turkey'. This book analyzes the development and impact of conservatism on Turkish politics in the post-Cold War era. Exploring the impact of international system change on Turkey over the course of recent events, this book covers the emerging tension and stress in Turkey's political culture, economy, and democratic institutions.
