The proven blueprint that reveals how you can achieve professional fulfillment and personal happiness. Renowned life coach Fiona Harrold has a proven blueprint that reveals how the truly successful have achieved professional fulfillment and personal happiness--and how you can too. Fiona Harrold has talked to some of the world's top achievers--those who have found their passion and made it their career--and discovered the rules they live by. Now she shows you, in seven easy steps, how to apply them to your own life. From getting past your fear of failure, to becoming a charming, effective individual who people want to do business with, Fiona coaches you on how to understand and use these seven techniques, tips, tricks and strategies to achieve your dreams.
