An exploration of acquiring real estate outside the continental U.S. Given the costly uncertainties of the domestic real estate market, buying a second home in desirable vacation areas within the United States has become nearly impossible for many. Increasingly, Americans are turning to more affordable regions overseas, some stay close-by in Mexico or Canada, while others are more adventurous, looking to parts of Central America, the Caribbean, and Pacific Islands. In Passport to Exotic Real Estate, real estate expert and travel writer Steve Bergsman offers detailed advice on the benefits and challenges of buying overseas property, including whether or not foreigners can legally own property, tax implications, availability of beachfront land, market trends, investment security, local regulations, and much more. With this book as their guide, readers will be fully prepared to overcome the obstacles of overseas property ownership and discover the benefits of living/vacationing abroad. Steve Bergsman (Mesa, Arizona) is a real estate, financial, and travel writer with more than 20 years' experience. His news stories and travel articles have been published in more than 100 publications around the world and he has appeared on local and national radio and television. Bergsman is also the author of two previous real estate books, Maverick Real Estate Financing (978-0-471-74587-7) and Maverick Real Estate Investing (978-0-471-46879-0).
