Lippincott Williams & Wilkins' Administrative Medical Assisting, Second Edition teaches students the theory and skills to become effective medical office assistants. The text and ancillary resources address all the required administrative competencies for CAAHEP and ABHES program accreditation. The book includes critical thinking questions and is written for maximum readability, with a full-color layout, over 100 illustrations, and boxes to highlight key points. A bound-in CD-ROM and a companion

Website include CMA/RMA exam preparation questions, an English-to-Spanish audio glossary, a clinical simulation, administrative skill video clips, competency evaluation forms, and worksheets for practice. A Skills DVD with demonstrations of the most important medical assisting skills is available separately. An Instructor's Resource CD-ROM and online instructor resources will be available gratis upon adoption of the text.
