If you’ ve wondered about how America can break links between oil consumption, terrorism, and the war in Iraq, A Declaration of Energy Independence: How Freedom from Foreign Oil Can Improve National Security, Our Economy, and the Environment will show you how our country can gain energy independence and solve its energy crisis. Written by a top energy expert, this book outlines seven economically and politically viable ways America can more efficiently use and produce energy. Find out how carbon fuels negatively impact our lives and understand the political framework of the energy crisis.
