In this third issue in The Jon and Jayne Does Series, Jon and Jayne's Guide to Getting Through School (Mostly Intact), we chat about the good, the bad, and the grungy in the halls, the classrooms, the field, the lunchroom, and all the places in-between. We cover stuff like the best and worst teachers and classes, dealing with homework and studying, choosing activities, 'dodging' bullies, participating in sports, and the ins and outs of cliques, friends, and crushes. We even got the coolest English teacher we could find, along with Dr. Toni, to give us some good advice--cause when we're dealing with school, we can use all the help we can get
