Endearing and always cheerful, Michal Sparks' watercolors bring six princess tea parties to life. Through this brightly illustrated, charming tea book, little princesses (ages 3 to 8) first learn how to make a proper cup of tea and serve it to their subjects. They then discover a bit about the history of tea before reading further and exploring each enchanting tea party. The young majesties will take delight in preparing a Royal Princess Tea and Princess Tea for Two a Fairy-Tale Princess Tea and a Sweetheart Princess Sleepytime Tea a Flower Princess Tea and Princess Plum Blossom Tea. Whichever they choose, everything they need is presented through extra simple, easy-to-follow instructions: fancy invitations, creative crafts, delightful decorations for

the home and the tea table, mouthwatering menus, and grand games. All will inspire giggles and great fun time and time again!
