Sing your baby to sleep with this sweet new lullaby-themed book. Featuring the lyrics to four timeless lullabies, this beautifully illustrated book will become an instant bedtime favorite. Plus, the soft fabric construction allows Baby to cuddle and snuggle up with the book as she drifts off to sleep. This new book is a perfect companion to the Baby Einstein Lullaby Time DVD. Baby Einstein Books is an imprint of developmentally appropriate, interactive books designed to introduce children ages 0-3 to classic poetry, art, and foreign languages in a fun and accessible way. A combination of playful images, beautiful photography, and bold illustrations with multilayered text will captivate and stimulate babies and young children. This “humanities for babies”

program, based on the award-winning video series, taps into the natural learning potential of young children—and their parents’ aspirations for them.
