Bandalism [ban-dl-i-zm] n.: the willful or malicious destruction of, or damage to, the fabric of a rock/pop/indie group brought about by one or more of its members. Axl Rose's monumental meltdowns . . . Kurt Cobain's tragic band-slaying suicide: The long history of platinum-selling überband implosions is more dramatic than a Russian novel. But even local cover bands can suffer the ill effects of the limelight.

Multi-rock-band veteran Julian Ridgway's *Bandalism* is a can't-miss guide to rock 'n' roll survival, offering sage advice on how to avoid the pitfalls that can doom your group. Here's how to: Find nonpsycho band members Craft the perfect band image Choose a name that doesn't suck And much more, including the handy Healthy Band Checklist, an ideal MySpace profile generator, and the Second Album Venn Diagram.
