Inspired by their popular USA Today column, conservative Cal Thomas and liberal Bob Beckel unmask the hypocrisy of the issues, organizations, and individuals that have created and deepened the partisan divide at the center of American politics, and make a strategic case for why this bickering must stop. Thomas and Beckel explain how bipartisanship and consensus politics are not only good for the day-to-day democratic process but also essential for our nation's future well-being. Entertaining and informative, funny and healing, Common Ground is a must-read for all concerned citizens.
