In the world of investing, the name Warren Buffett is synonymous with success and prosperity. Building from the ground up, Buffett chose wisely and picked his stocks with care, in turn amassing the huge fortune for which he is now famous. Mary Buffett and David Clark's Buffettology and The New Buffettology are now available all in one great audio collection. In Buffettology listeners will: \* Learn how to approach investing the way Buffett does, based on the authors' firsthand knowledge of the secrets that have made Buffett the world's wealthiest man \* Use Buffett's proven method of

investing in stocks that will continue to grow over time \* Master the straightforward mathematical equipments that assist Buffett in making investments \* Examine the kinds of companies that capture Buffett's interest, and learn how they can use this information to make your own investment choices of the future. In short, The New Buffettology is an essential companion to the original Buffettology, a road map to investment success in the worst of times.
