Sell My Home! is the step-by-step guide to getting a quick sale. No matter the condition of your home or the status of the local real estate market, you'll find essential strategies for finding a buyer. From staging your home for an open house to alternative marketing techniques, you'll find ideas for each step of the sale. Even if your neighbors are also selling, Sell My Home! explains how to give yourself the advantage. You'll learn: How to find the most realistic price for your home Tips to create ""curb appeal"" and a lasting first impression Ways to spread the word and draw attention to your home Tactics for negotiating with buyers and their broker
