Former gang member Tommy Cucinelle thought he had left his old life behind when he became a Christian. That's why he's surprised when his pastor asks him to use his old "skills"???finding people who don't want to be found???to locate the church secretary after she mysteriously disappears and the church is vandalized. The police don't have any leads. Tommy's investigation brings him face-to-face with unpleasant memories from the past that threaten his new identity, but inner turmoil is soon the least of his worries. A local Wiccan church is at the heart of the mystery, and Tommy's search uncovers a startling prophecy about child sacrifice to the pagan god Molech. When the missing woman's sister???and Tommy's newfound romantic interest???disappears as well, the quest becomes personal.
