THE CLUTTER CLINIC offers room by room guidance on how to reorganise your home and 'love the home you are in' again. Strong before and after visuals together with Romaine's easily achievable suggestions will make a seemingly overwhelming task become simple. Includes lots of useful tips and shortcuts to ditching clutter and

choosing the right storage solutions. There is an extensive shopping directory of retailers, mail order companies and websites who sell everything you need to get organised from great storage solutions to dual purpose furniture by new young designer makers. 'Soon the room is transformed beneath her magical touch. So much so, I almost weep with gratitude. Verdict: brilliant. I wish I had done it years ago.' Daily Telegraph
