Prepare to be bewitched by this original collection of fantasy-inspired designs from one of the cross stitch world's favourite designers, Joan Elliott. A wealth of imaginative designs, including wizards, witches, dragons and unicorns, are intricately brought to

life with luxurious metallic threads and glittering beads. You can conjure up a variety of enchanting projects, ranging in size from small cards, gift bags and keepsakes to larger framed pictures, hangings and cushion covers. The easy-to-follow making up instructions, clear colour charts and stunning photographs help to achieve a magical result every time.
