With this groundbreaking work, educator Jenifer Fox is poised to change the conversation about education in America. For too long, parents and teachers have focused on identifying and "fixing" kids' weaknesses to improve academic performance. Passionately written and informed by Fox's twenty-five years of experience, Your Child's Strengths turns that flawed paradigm on its head. Fox's strengths-based philosophy provides the tools to prepare kids for the future in a world that demands greater adaptability and creative thinking than ever before. Your Child's Strengths will give parents and teachers the tools to discover strengths in three main areas: Activity Strengths, the tasks that make you feel engaged and energized; Relationship Strengths, the things you do for and with others that make you feel valued and competent; and Learning Strengths, the unique ways you approach and understand new information. All three strengths work in tandem. Pairing inspiring fir
