"There are a few things / about your best friend that you can only learn / when you see where he's from. Minn knew / that Jake was from the city. But she didn't know / that his grandmother was Korean. That he liked taking bubble baths. / That his brother, Soup, might be an eating champion. / That Jake was a cheater, and that he had a ... / girlfriend? There are some things / about your best friend that it's better "not " / to know. "Bouncing free verse and playful black-and-white illustrations combine to make this a charming follow-up to "Minn and Jake."
