The acclaimed author and illustrator of "Chickens to the Rescue "has created a sweet, funny, and entirely irresistible new character--a little dog just bursting with good intentions. Katie is so excited when Sara Ann brings home three little kittens that she can't stop herself from howling "AROOOOO " and trying to run after them. She loves them so much But Katie's enthusiasm frightens the kitties, and she's sad when they run

away from her. Don't they know that she just wants to play?
