Everyday we're faced with choices. Left or Right? Stop or go? Love or hate? Yes or no? With each decision affecting our life, our fate. But what if those choices affected more than that - like the fate of the universe? What if they already do? What would you choose? From Michael Turner, the creative mind that brought you "Fathom" and "Soulfire", comes the next wondrous step in comic book entertainment! For every right, there is a wrong. For every action, there is a reaction. For every up, there is a down. And for every decision Theo makes, there is someone making the decisions for him...and all of us!! Welcome to Perspecta, and the reasons behind your wildest thoughts and darkest desires. This trade paperback collects "Shrugged Volume 1" in its entirety, including the sold-out "Preview" and "Beginnings" issue, along with issues number 0 through number 8. It includes an extensive cover gallery featuring artwork by series artist Micah Gunnell, along with "Shrugged" creator Michael Turner and a host of others.
