From his pulp-fiction origins in "Weird Tales" to his latest Dark Horse incarnation, Robert E. Howard's sixteenth-century Puritan adventurer has captured the imaginations of readers for decades. Now, all of the Savage Sword of Conan short stories from the 1970s are collected for the first time: equal parts comics adaptations of Howard's formative tales and inspired new chapters from venerable scribes Roy Thomas ("Conan the Barbarian") and Don Glut ("Kull the Destroyer")! Follow along Kane's restless travels with pistol and rapier as he is compelled to be a weapon of God, ridding the world of evil wherever it may be found - from the jungles of Africa to the high seas, and whether cannibal, demon, vampire, or pirate!
