Penguins, whales, seals, fish, and many other animals are all part of Antarctica's food web. In this striking picture book, Madeleine Dunphy uses a cumulative approach, combining lyrical verse with repetition to reveal the region's interdependency of life. Tom Leonard's gorgeous illustrations, from the flash of orange on a penguin's beak to iridescent icebergs jutting from the sea, capture a wondrous miracle the circle of life. Here Is Antarctica educates as it entertains, inspiring children to explore this fascinating ecosystem page by page.
