Whether they are bumping about our attics, hitchhiking on a moonlight road, or

fraternizing with our reflections, ghosts tantalize us with their secrets." --Leslie Rule
Meet Leslie Rule-America's real-life ghost hunter with a penchant for sharing authentic, spine-tingling stories of the paranormal. The Gallup Organization reports that more than 32 percent of Americans have seen a ghost. More than half the population believes in the spiritual, cosmic, or supernatural. To Leslie Rule, such revelations come as no surprise. Rule has spent more than a decade researching specters and spirits and has chronicled her ghostly tales in three previous titles, *Coast to Coast Ghosts*, *Ghosts Among Us*, and *When the Ghost Screams*. Inside *Ghost in the Mirror*, Rule documents more than dozens of stories of paranormal apparitions that reveal themselves on the other side of the looking glass. Rule's painstaking archival research presents factual clues to each haunting, along with her own dramatic black-and-white photographs that capture the eerie unrest of the scenes she explores.
