Thanks to craft diva Alison Jenkins, you'll never look at laundry (or looped terry) without envisioning an absorbent work of art. The lost art of towel origami, which dates back to the reign of Cleopatra, is revisited in stunning detail inside this 96-page booklet. "The Little Book of Towel Origami" features fully illustrated, step-by-step instructions, project templates, folding techniques, and full-color photographs of more

than 10 completed projects ranging from a palm tree, a ladybug, and a swan, to a pooch, a monkey, an elephant, and more.
