The difference between the wrath of God and the wrath of your mother is that eventually God forgives you. Finley Anderson Tanner just landed a quaint new cottage on posh Palm Beach. Not bad for an underachieving, sample-sale-shopping paralegal -- until she finds the place in shambles. She should have known better than to accept her overbearing mother's offer to sell her a house unseen at a bargain-basement mortgage rate. Good-bye Rolex dreams. At this rate, she'll be shopping designer outlets forever. When Finley discovers a skeleton in her new closet, right where her Jimmy Choos should be, a total home renovation is the least of her worries. Sure, she knows how to catch a crook, but when a girl's sandwiched between sexy P.I. Liam McGarrity and her hot new boss, defense attorney Tony Caprelli, she can only be headed for commitment. To an institution. With her fabulous (but slightly more successful) friends to keep her sane and her interfering mother out of town, Finley vows to get this bad guy -- and decorate her new house -- even if she has to pay full price.
