Who will be the next seventh grade class president at Abigail Adams Junior High? Mr. Popular, Dillon Johnson, is running, and making a lot of promises that are sure to get votes. The Yurtmeister's in the race, too, but his campaign is a joke, right? Class president seems like a good place for Avery to start her political career. The trouble is, Katani's in the race, too. Can the Beacon Street Girls survive the growing tension between these two supercompetitive friends? And who's tearing down campaign posters and leaving mean notes about the candidates?
