It has all the makings of an epic adventure: An ancient artifact is rediscovered; a mask of unknown origins, with unforeseen power and magic. But who knew that after donning this mask even the wimpiest geek would become an indestructible, shape-changing super-tornado with a mind for mischief and an appetite for destruction? Equally adept with gun, knife, bat, bomb, pie, or bat-knife-gun-pie-bomb, our geek turned super-freak, The Mask, cuts a crazed swath of cartoon mayhem. In his wake he leaves only rubble - and laughs. Unfortunately for Stanley, owning the mask is no picnic, especially when every unsavory psycho on the planet wants to get his hands on it ...and his face under it! "The Mask Omnibus Volume One" is a blazing pinata of wild action and gut-busting comedy. Who's laughing now?
