"Wine on Tuesdays" focuses on the basics of wine so readers can feel comfortable buying, ordering, and drinking it, and on helping readers relax around wine and integrate it into everyday life. Americans have uncorked a new enthusiasm for wine. For the generations of Americans who want wine to be a regular part of their lives, "Wine on Tuesdays" eschews the esoteric language of oenology for practical guidance, humorously written from the perspective of wine lovers rather than wine pedants. "Wine on Tuesdays" doesn't focus on number ratings, "big names," or five different ways to describe the taste of a Cabernet. Instead, it guides wine novices and experts alike through the basics of enjoying wine-from developing a palate to understanding food pairings-so that a once-in-awhile indulgence becomes a regularly rewarding pursuit.
