Close friends since childhood, Kyle, Duncan and Ivan have become rich, successful co-owners of a beautiful Harlem brownstone. The one thing each of them lacks is a special woman to share his life with--until true love steps in to transform three sexy single guys into grooms-to-be...A fender bender seems like a stroke of lousy luck, until attorney Kyle Chatham glimpses the woman who just put a dent in his vintage Jag. The fact that gorgeous social worker Ava Warrick wants little to do with him only piques his interest. What starts out as simple friendship gives way to cozy dinners and blissful, breathless nights...until Ava brings their relationship to a screeching halt. Kyle's sure she's his soul mate. But now that the confirmed bachelor is ready to commit, can he convince a woman who's learned never to trust in love that a connection this real, this passionate, is anything but an accident?
