Written by a lung cancer survivor who understands what it takes to beat the odds, this book offers unparalleled hope and direction for anyone facing this illness. It is filled with specific exercises and techniques to promote healing and reverse side effects by taking a pro-active approach in helping to restore your mind, body and spirit to an optimum state of health. Endorsed by a Lung Cancer Specialist and Associate Professor at Harvard Medical School, this book combines what the doctors tell you with critical information they don't tell you.
