Reflections of Beauty - Bonnie Dee - When artist Christine Dawson is commissioned to paint a portrait of wealthy, mysterious recluse Eric Leroux, she must tear away the briars and scale the walls surrounding the heart of this scarred man. But some scars are more than skin-deep. Forever My Love - Calista Fox - For five hundred years, vampire Christian St. James has waited for witch Aja Woods to recover her powers -- and her memories of their love. When evil threatens, can Aja save not just their magical world, but a love that should last forever? Educating Eva - Bethany Michaels - Striving to make her mark as a scholar, Eva Blakely attends an infamous house party to research the "Mating Rituals of the Human Male." The notorious rake Aidan Worthington is only too happy to provide her with all the "research" she can handle. Dare she accept his offer? The Sex Slave - Roxi Romano - When sex slave Lazarus Stone's mistress dies under shady circumstances, Lazarus must escape his mining colony before the authorities blame him for murder -- or worse, assign him to a new owner. Jaci Coe needs to escape, too, from the black market slave trade. Together, they fight for freedom, and find a new kind of enslavement in each other's arms.
