In this first-ever bilingual edition of Cage, Astrid Cabral is an insightful and irreverent guide to the natural world, leading the beguiled reader through landscapes of rare and surprising beauty. From serpents to seahorses, and from the wilds of the Amazon to the orderly realm of suburbia, these poems urge us to consider our surroundings with empathy and attentiveness. Cabral's complex, multifaceted verse glints with compressed energy, offering a densely layered vision in which simplicity is deceptive and conclusions are likely to be double-edged. A poet of considerable imaginative gifts and metaphysical flair, Astrid Cabral has produced a work of cauterizing beauty. A perfectly orchestrated volume, each poem in Cage enriches and expands the poem before it.
