Fire Officer's Handbook of Tactics Video Series #4: Hoseline Selection, Stretching and Placement. Every fireground is different - make sure you select the proper hoseline and placement. In Video #4: Hoseline Selection, Stretching and Placement, John Norman covers: hoseline selection, stretching and placement; choosing the right diameter hose for the job; the amount of hoseline needed to get the job done; the different types of nozzles, both straight stream and fog nozzles alike; and specialty nozzles, tips and foams. The Fire Officer's Handbook of Tactics Video Series is based on the best-selling book and study guide by John Norman. Contains live-action footage and 3-D graphics Narrative shot in High Definition Approx. 30 minutes.
