Bobbie Faye is looking forward to the Lake Charles Contraband Days Festival with balloons, booze, and babies in pirate costumes. Instead, her trailer's flooded, her no-good brother's been kidnapped, and the criminals are demanding her mum's tiara as ransom. Soon Bobbie Faye is committing (unintentional) bank robbery and (fully intentional) carjacking to retrieve her family heirloom. Along comes the hard-muscled, impossibly sexy Trevor, the guy whose truck she just took hostage. Luckily, Bobbie Faye knows how to outsmart angry bears, drive a speedboat, and handle a gun. As for handling Trevor? No gun-shyness there. Now, if only that pesky state police detective, who also happens to be a pissed-off ex-boyfriend, would stay out of her way.
