Everyone loves barbecues - the sun, the smells, the smiles - however most of us would admit that we have a limited range when it comes to producing flame-grilled food. This book gives you over 200 tasty recipes to turn your barbecue into a barbecue banquet. From quick and easy classics including Greek-style Lamb Burger and Coconut Butterfly Prawns to more meaty masterpieces such as Balsamic Steaks with Basil Mash and

Tandoori Chicken, Barbecues' huge selection ensures that your barbecue need never be boring again. There are also recipes for salads, desserts and drinks to make your barbecue complete.
