Sharon Olds completes her cycle of family poems in a book at once intense and harmonic, playful with language, and rich with a new self-awareness and sense of irony.

The opening poem, with its sequence of fearsome images of war, serves as a prelude to poems of home in which humor, anger, and compassion sing together with lyric energy—sometimes comic, sometimes filled with a kind of unblinking forgiveness. These songs of joy and danger—public and private—illuminate one another. As the book unfolds, the portrait of the mother goes through a moving revisioning, leading us to a final series of elegies of hard-won mourning. *One Secret Thing* is charged throughout with Sharon Olds’ s characteristic passion, imagination, and poetic power.

The doctor on the phone was young, maybe on his

first rotation in the emergency room.

On the ancient boarding-school radio,

in the attic hall, the announcer had given my

boyfriend’ s name as one of two

brought to the hospital after the sunrise

service, the egg-hunt, the crash—one of them

critical, one of them dead. I was looking at the

stairwell banisters, at their lathing,

the necks and knobs like joints and bones,

the varnish here thicker here thinner—I had said

Which one of them died, and now the world was

an ant’ s world: the huge crumb of each

second thrown, somehow, up onto

my back, and the young, tired voice

said my fresh love’ s name.
