SO YOU THINK your mom is embarrassing? You won’ t after you meet mine. She’ s the co-host of a morning television show and her host chat has covered everything I’ ve done from puking on my piano teacher’ s shoes to gluing antlers on my head. But I’ ve got the microphone now and I’ m doing weekly commentaries on my school’ s broadcast/podcast. Don’ t get me wrong—mom’ s awesome, and I’ d never really want to freak her out. But if viewers get to hear about my private life, why can’ t I dish about Mom’ s new boyfriend, or how dorky she is as a school volunteer? Did I mention my friendships with my loud, bossy BFF and former BFFs are in total flux? And what is this thing called middle school? Definitely stay tuned.
