Two Happy Homes was written after readers of Parents Are Forever asked for a book that specifically advises how to bring new partners into the lives of children after divorce. This book gives practical and specific ideas for parents to create happy stepfamily lives for their children. It covers the most common errors made by moms

and dads as they move on to create new family life after separation, and is highly endorsed by experts. Specific advice is given for parents of children who never married, but are raising a child together, as coparents.
