All Charlie Moon wanted to do was enjoy a night of poker with his best friend and Granite Creek police chief Scott Parris. But that was before Scott's dispatcher cut in with an emergency call. A man was on the phone with his wife when their call was interrupted by a bloodcurdling scream. Would Charlie and Scott mind checking it out? Arriving on the scene, they discover that the man's wife, who is the daughter of a wealthy and influential rancher, has been mauled beyond recognition. Is this the work of a hungry bear? Or something far more sinister? The whole family--including the victim's sister, a popular TV psychic who on that very night happened to "see" a murder happen in real-time--is demanding answers. But if there's one person who can solve the case, it's Charlie's aunt Daisy. She's an aged Ute shaman whose investigative talents rely heavily on help from the spirit world. Can "she" see the truth...and help track down a killer?
