Perfect for holidays, special occasions, or just to celebrate the arrival of a new season, wreaths are a mainstay of the crafting world and a lovely way to enhance a home. They're also amazingly easy and fast to make, thanks to this attractive collection of diverse projects, all organised by theme: Nature; Flowers, Fruits and Greens; Collections and Memories; Found Objects; and, more. Create the perfect door decor for a beach house using painted twigs and delicate starfish, or perhaps a sparkling Christmas wreath made from hollow ornaments filled with shiny tinsel. From a whimsical metallic swirl using salvaged spoons to a show-stopper out of peacock feathers, each one is fantastic.
