Crocheted accessories are all the rage—and these stylish hats, created by top-notch designers, will appeal to readers of all skill levels. Even the simplest ones feature great color combinations and irresistibly textured yarns. Not only that: the stunning photography and unique presentation will enhance their appeal. All the backgrounds, from a Paris train station to an art deco building, are in evocative black and white, while the models appear in full color. The hats live up to their settings, too! A Kufi-styled crown cap captures the exotic magic of 1920's Morocco. A houndstooth lidcap features a bold, two-colored design. In addition to the 40 patterns, there's advice on felting—which results in a denser, warmer hat—and on a range of fashionable embellishments.
