What is more fun than the BARREL oF MoNKEYS game? A BARREL oF MoNKEYS in mazes, of course! Based on the colorful toys from Hasbro, this cool puzzle book is perfect playtime entertainment. Kids will relish the challenge, and love the humorous

pictures, as they help these zany monkeys navigate their way through 30 intricately-designed and expertly-prepared puzzles.

our amusing simian friends go in search of the fastest, most direct route through environments like the jungle (where they are racing to find the big bunch of yummy bananas) and also through more unusual settings, many of which will provide big surprises!
