Attractive, fun and gifty - this is a lighthearted and appealing take on the ancient concept of 'space clearing' any negative energy - and spiritually 'cleanse' your living or working environment. "Vibe-Away!" is a quick-dissolving, non-toxic crystal made up of traditional, essential aromatherapy oils such as sage, citrus and lavender. Just put a pinch of the three mixtures - Body, Mind, & Spirit - into the included spray bottle, add water, shake and spray as you recite one of the incantations & ring the enclosed ceremonial bell - then voila! Soon, you'll be clearing spaces like a practiced shaman. It includes a 36-page instructional guidebook with prescribed rituals & tips.
