Manga devotees will welcome the latest instalment in Chris Hart's blockbuster, bestselling series. Shonen manga stories feature male protagonists in action-packed, often humorous plots. Boys in particular devour the genre's most popular works, including "Naruto", "Dragon Ball", "Bleach", and "Death Note". With Chris' help, they can feed their passion further and learn how to draw all the essential shonen characters: teen heroes, violent samurai, girl ninjas, hideous monsters, evil martial arts masters and more. Step-by-step demonstrations break down the drawings so that artists of any level can follow along. Filled with top-notch art instruction, tons of visual tips and over 350 drawings in the authentic Japanese style, this is the essential resource for all manga maniacs.
